JOHN DEERE 1020 Tractor Specifications

The John Deere 1020 tractor is quite an old machine from the 'New Generation' series of tractors. This tractor had a very long production run that lasted from 1965 up until 1973. The tractor is powered by one of 2 different engines, both of which are made by JD themselves. The first is a diesel engine that is naturally aspirated.

The John Deere 1020 Tractor first came out at a price of \$4,500, but you might be one of the lucky ones who found a good deal lower than that. The bad news is that, like any other tractor, the John Deere 1020 Tractor needs spare parts to keep it running; the good news is that we have all the parts you need at 60% off dealer prices in our inventory.
