2001: A Space Odyssey (1968) - Rotten Tomatoes

2001: A Space Odyssey is one of my all-time favourite films, I've seen it many times over the years but I still can't say I fully understand it - not that it matters, this isn't a film you expect outright entertainment from, instead it's more of a cinematic experience. Kubrick himself said that the film was designed to penetrate an ...

I caught 2001: A Space Odyssey at AMC IMAX last night. Absolute brilliant film to watch on the IMAX screen. The large screen form factor was a perfect match for the fantastic cinematography of the late 60s. That said, I had forgotten how badly the movie suffers from the slow tempo and poor story. Arthur C Clarke is a wonderful novelist, but the ...
