IT WORKS! I've had my iPod for like 2 or 3 years and I have 300 songs on it and similar to Danielle's problem, I was using it, stopped for a few minutes, and when I went back to it it was off and not turning on. This information is a life saver (to me) and it is important for every iPod 2nd gen. user to know this. Thx. June, 2019, btw
