### Contractdocs Help

Synopsis. AIA Document G716-2004 provides a standard form for an owner, architect, and contractor to request further information from each other during construction. The form asks the requesting party to list the relevant drawing, specification or submittal reviewed in attempting to find the information.

### Instructions: G716™ -2004, Request for Information (RFI)

A Request for Information (RFI) is most frequently and legitimately used by contractors to ask architects questions about the intent of the construction documents or to point out perceived omissions or conflicts in the documents.

### AIArchitect This Week | Shootout at the RFI Corral

A simple definition of an RFI, or "Request for Information": A written and/or graphic communication from a general contractor to the A/E during construction (i.e., after the owner-contractor agreement has been executed), seeking information related to the contract documents prepared by the A/E.

### RFIs: What's good, what's bad ... - AIA KnowledgeNet

Remember that you have a right to determine if the submittal schedule is acceptable to your administrative schedule. To provide an incentive to the contractor to provide the schedule, you may elect to send AIA document, G716™ Request for Information, requesting that the contractor provide the schedule. You may wish to track the RFI in a log to document the delay caused by the contractor's failure to submit, as well as insist that the tardy schedule be tracked in the contractor's ...

### Document G716™ - 2004 - AIA Professional

A request for information (RFI) is a common business process whose purpose is to collect written information about the capabilities of various suppliers. Normally it follows a format that can be used for comparative purposes. An RFI is primarily used to gather information to help make a decision on what steps to take next.

### **Request for information - Wikipedia**

One of the primary purposes for the relatively frequent revisions of the AIA documents is to address problems or troublesome issues that have arisen from the terms or language of the prior edition.
