"Antarctica: An Intimate Portrait of the Word's Most Mysterious Continent" is a profound narrative of the author's stay on the continent. She spent quite a bit of time there, and shares it all - the scientific studies she visited and took part in, the history she found, the people she met, and the feelings she had along the way.

Amazon.com: Antarctica: An Intimate Portrait of a ...

The book subtitle - an intimate portrait of life at McMurdo Station, but this is NOT what this book is about! This is a book about the author being paid to travel to Antarctica and write about Antarctica, and she spent huge amount of time talking about her life, her feeling to I rarely rarely rate a book below 4 stars, because I respect writers and I am aware writing is a hard enough job.
