Atkins Or Fadkins Answer

I just used "Atkins or Fadkins" for the first time and thought it went pretty well. My husband the physiologist, however, had two quibbles. He says: (1) calories measure heat, not energy, and (2) some energy drinks do their thing with a jolt of caffeine, not sugar, so they may have no calories.

Atkins or Fadkins? - National Center for Case Study ...

Although many people believe the Atkins diet is healthy, it can actually harm you. Consuming too much protein can damage your kidneys because of all the nitrogen your body has to process to break down protein. It can also throw other body systems off balance.
