Automotive engineering - Wikipedia

The modern automobile powered by the Otto gasoline engine was invented in Germany by Carl Benz. Even though Carl Benz is credited with the invention of the modern automobile several other German engineers work on building the first automobile at the same time.

Automobile | Engineering | Fandom

Chamberlain Engineering was an automotive engine builder turned auto racing team founded by racing driver Hugh Chamberlain in 1972. The team moved through the British national sports car championships before becoming a competitor in the World Sportscar Championship, eventually winning world titles in 1989 and 1992.
