By Night In Chile Roberto

As through a crack in the wall, By Night in Chile's single night-long rant provides a terrifying, clandestine view of the strange bedfellows of Church and State in Chile. This wild, eerily compact novel—Roberto Bolano's first work available in English—recounts the tale of a poor boy who wanted to be a poet, but ends up a half-hearted Jesuit priest and a conservative literary critic, a sort of lap dog to the rich and powerful cultural elite, in whose villas he encounters Pablo Neruda and ...

By Night in Chile is a novella, my second book by Roberto Bolaño after my reading last year of the 900 plus page 2666. It is tempting to say the former (an earlier) book is just a shorter version of 2666. Which is not to dismiss it in the least.

By Night in Chile Quotes Showing 1-28 of 28. “As time goes by, as time goes by, the whip-crack of the years, the precipice of illusions, the ravine that swallows up all human endeavour except the struggle to survive.”. — Roberto Bolaño, By Night in Chile.

By Night in Chile Quotes by Roberto Bolaño

By Night in Chile documents the rise and then regret of Sebastian Urrutia Lacroix, a Chilean priest and literary critic. The novel first documents Urrutia's rise through the literati of Chile. By making friends with Chile's greatest literary critic, Farewell, and then by meeting such literary greats as Neruda, Urrutia gives up most of the theological imperatives towards justice and service that his profession requires and, instead, focuses his energy on art, poetry, and literary criticism.

By Night in Chile by Roberto Bolaño, Chris Andrews ...

You could say the novel weaves together powerful ideas about politics, religion, and literature, but this misses much of what makes it exciting. By Night in Chile is a simply powerful story. Its scenes stay in memory and its lines resonate. It's a page-turner, but one that stays in mind after its pages are done.

By Night in Chile is a 130-page single paragraph (Kaddish is around the same length but was mostly one long sentence — but it did have a few paragraph breaks!). This might be offputting, or at least intimidating, to some people. It is both to me because somehow you have to navigate through all that text.
