Cry Danger (1951) - IMDb

Birders hearing it for the first time may have trouble believing that the Buff-collared Nightjar is a relative of the Whip-poor-will. Staccato, unbirdlike, the call sounds like the voice of an insect: a very large insect, perhaps, audible up to half a mile away over the dry hills at night. First found north of the Mexican border in 1958, this bird now spends the summer in several canyons in ...
