As we met with farmers, butchers, chefs and modern meat enthusiasts, we discovered a revolution quietly taking shape -- a return to flavor and quality -- that we call "Craft Beef." It's beef produced by small-scale, independent farms with an emphasis on unique flavors and high ethical standards. SHOP: 100% Grass-fed, Grass-finished craft beef

Craft Beef: A Revolution of Small Farms and Big Flavors

Craft Beef is a revolution that isn't going away any time soon. Companies like Crowd Cow that are bringing this Craft Beef to the masses are opening the eyes of meat lovers (and even non-meat lovers) everywhere.

Craft Beef: A Revolution of Small Farms and Big Flavors

...

Craft Beef: A Revolution of Small Farms and Big Flavors. People have bastardized the word "craft," transforming it into something that brings to mind ultra-hipstery products that cost a fortune. Craft, in its true form, is about quality and care, which is something we'll always support. That's why we're all in for Craft Beef: A Revolution of Small Farms and Big Flavors, a coming book from Joe Heitzeberg and Ethan Lowry, the founders of Crowd Cow, along with author Caroline Saunders.
