### Crochet Stitches Abbreviations: Techniques for Crochet ...

Many of the abbreviations will be the same across patterns but will refer to a different stitch depending on the pattern language that is used. So you'll see a dc abbreviation and that will refer to a double crochet but the height of that stitch will be taller if it's a UK crochet pattern than it would be if it was a US crochet pattern.

### Crochet Pattern Terms: UK vs US

However, there are common abbreviations that you'll see used in lots of patterns, such as K for knit and P for purl. These letters are usually followed by a number that tells you how many stitches to work - so K2 means "knit two stitches".
