Create your own unique name for your creature. If you don't want to name your creature using Latin or Greek word roots, you can make up an entirely new word to use as a name. One way to create a unique name for your creature is to make an anagram of one of its attributes. This simply means rearranging the letters of the word. For example, if your creature is a fighter, you might rearrange the letters in the word "fighter," and call your creature a Rheftig.
