740 1985

The 740 was also produced as a four-door sedan and a five-door station wagon. However, before you tinker with your 740 make sure you have a Volvo 740 repair manual to get the job done right. For 1985, an intercooled version of the 2 L turbo engine (B200ET) was produced for markets such as Italy, where larger engines were heavily taxed.
