And if the fraud is known to the victim, the perpetrator certainly does not want to be identified as the one who did it. Sometimes, a financial reporting fraud can be utilized as a method of concealing an asset misappropriation. A fair value accounting fraud might just be the perfect choice for such concealment.

Overview of Financial Statement Fraud and Fair Value ...
Many of the rules involving fair value require the application of a great deal of judgment, and that's where the risk of fraud comes into play. As I've written before, the greater the required use of judgment, the greater the risk of fraud. In this column I'll use three recent cases to illustrate the risk of improper applications of fair value.
