Greenberg J M 2010 From Betamax to Blockbuster Video ...

In *From Betamax to Blockbuster*, Joshua Greenberg explains how the combination of neighborhood video stores and the VCR created a world in which movies became tangible consumer goods. Greenberg charts a trajectory from early “videophile” communities to the rise of the video store—complete with theater marquee lights, movie posters, popcorn, and clerks who offered expert advice on which movies to rent.

The consumer videocassette recorder (VCR) was first introduced in the United States as a timeshifting device for recording and playing back broadcast television, but within a decade this use was overshadowed by the wildly popular rental and sale of motion pictures on video. This dissertation charts the invention and establishment of this alternate technological frame, describing how a ...
