Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for.

How To Get People Do

People say they want sympathy, they need empathy. People say they want power, they need respect. If you supply what someone truly needs, they will do anything you want. Listening is the key. People would rather talk than listen. You can use that to your advantage and let other people talk and tell you what they want and need. People just like to talk.

The Secret to Getting People to Do What You Want

By simply encouraging people to "share this resource with friends," you can attract some great word-of-mouth traffic. Step 6: Get free links on other high-traffic websites.

Write great headlines and subject lines. If people see an entry with a truly eye-catching lead, they're more likely to read it than something that seems dull or dry.

How to Get People to Read Your Blog: 9 Steps (with Pictures)

The absolute simplest way to get people to like you is to smile genuinely. People crave being around others that are fun and happy because it's contagious -- you'll make them feel good just by being present. Smiling is the first indicator (and the most obvious) that you are a person they probably want to be around. Smile and you're in.
