It would be a laughing matter, if it wasn't taken so seriously by those not willing to double check the validity of its bizarre claims. No one ever said that everyone was equal in the first place so the title itself is a strawman. I could write a book on how wrong this book of assumptions is...highly not recommended.

Obviously not,
everyone is not born
equal. People are born
differentiated on
various grounds
including wealth, social
status, wit, intellect,
etc. Then, how could
we make this word
"Equality" come into
existence. I think, we
can become equal if
we explore ourself to
the maximum towards
our interest, passion,
