KRS-One - Knowledge Reigns Supreme (No DJ)

Critical theory, Marxist-inspired movement in social and political philosophy originally associated with the work of the Frankfurt School. Drawing particularly on the thought of Karl Marx and Sigmund Freud, critical theorists maintain that a primary goal of philosophy is to understand and to help overcome the social structures through which people are dominated and oppressed.

Knowledge is articulated from various standpoints according to various influences and interests, and is transformed by human activity—in other words, our knowledge is context-, concept-, and activity-dependent. Critical realists believe we cannot be naïve about this, and must embrace a form of epistemic relativism.
