Legitimacy, Legal Development and Change: Law and ...

The Centre for Human Rights and Legal Pluralism welcomes Dr. David Linnan, Associate Professor, University of South Carolina School of Law. In his seminar, Dr. Linnan will explore the best way in social science terms to capture what actually goes on in legal development work at the individual level. He will discuss the background in empirical comparative law terms and then explore the social ...

Legitimacy, Legal Development and Change: The Indonesian ...

The chapters in Part I discuss the two basic models for understanding the relationship between people and law: coercive and consensual. The consensual model relies upon people's willingness to obey laws because they think it is appropriate and proper to do so. The belief that law and legal authorities are legitimate and ought to be voluntarily obeyed develops during the childhood and ...

Byblyo - Legitimacy, Legal Development and Change: Law and ...

The development of state capacity to manage competing interests and to be responsive to citizen's needs thus has the potential to improve legitimacy. State legitimacy can derive from a range of sources, including the effectiveness of public institutions in their performance of various functions, such as service delivery, taxation and social protection systems; and their degree of representation and accountability.

State legitimacy - GSDRC

LEGITIMACY AND CHANGING SOCIAL EXPECTATIONS As community expectations change, organisations must also adapt and change. That is, if society's expectations about performance change, an organisation will need to show that what it is doing is also changing (or perhaps it will need explicitly to communicate and justify why its operations have not changed).

Transitional Justice in Colombia. In the past ten years, under the flag of transitional justice, Colombia has sought to implement a series of measures to confront the legacy of the conflict regarding property and land tenancy. In 2011, the government enacted Law 1448 (The Victims and Land Restitution Law or "the Law") to face these historic injustices and human rights abuses and to lay the ...

The crisis of confidence and the crisis of legitimacy have been attributed as factors responsible for the looming recession in Nigeria. Obadiah Mailafia, former deputy governor of the Central Bank of Nigeria (CBN), told BusinessDay that Nigerians were losing confidence in their government and in their future and unless the government offered them grounds for renewed hope, things would get worse.

Crisis of confidence and legitimacy cause of Nigeria's ...
