Living The Savvy Life - YouTube

The Savvy Life's motto is "spend smart". That says it all. They helped us create a spending plan, not a budget, that supports our lifestyle while having better control of our financial future. They made a process, that if done on your own can be somewhat tiring and painful, an enjoyable experience. - Michelle E., Los Angeles, CA

Videos - The Savvy Life

Living the Savvy Life focuses on finding balance, not becoming a tightwad or cheapskate. The philosophy isn't anything new for most long time GRS readers: "Save money on the things that aren't as important to you so you can afford to spend money on the things that are important to you."

Book Review: Living the Savvy Life - Get Rich Slowly

This book was a bit too self-congratulatory for me, as it seemed to be about the author's personal lifestyle more than "living the savvy life." It was about acquiring very basic life skills. If it were marketed as a book about how to be competent, I would be less critical. I am in my low 30s and have already learned all of these basic life tips.
