Losing My Mind An Intimate Look At Life With Alzheimers

The author's description of his struggle (and that of his wife and grown son) are compelling and moving. The book would be easily excerpted for classroom use; his and his wife's encounter with the neurologist who makes the Alzheimer diagnosis is particularly instructive, as are the passages dealing with how his family and friends cope with their own emotions.

Losing My Mind : An Intimate Look at... book by Thomas ...

Losing My Mind This book was very authentic. While not encouraging or enjoyable, it was very informative about the way that Alzheimer's overtakes an intelligent mind. It was very obvious that the author had the gift of expressing himself through the written word, in spite of the effects if this debilitating condition.
