Mark Kistler'S Draw Squad by Mark Kistler, Paperback ...
Mark Kistler's Draw Squad is the culmination of everything I've learned from my master teacher, Bruce McIntyre, and from my nine years of classroom teaching. My first class began with only 20 students. Within a year the enthusiasm generated by those first students burst the classroom seams to 600 students! "Hey, I can draw!"

I bought Mark Kistler's Draw Squad based on my experience with some of his other books. This book deals more with Draw Squad as a program than focusing specifically on drawing. Therefore, the art instructions need to be "pulled" out of the book. I would thoroughly recommend You Can Draw in 30 Days. It provides a sound foundation in drawing skills.

Amazon.com: Customer reviews: Mark Kistler's Draw Squad
Mark Kistler studied under former Disney artist Bruce McIntyre for twelve years. McIntyre produced his own Drawing Textbook, videos, telecourses, and other resources for students to learn to draw but never quite made the connection with user-friendly children's materials.So Mark Kistler took up the crusade to bring drawing literacy to children via a national public television program and this ...
