Digby Smith is a British military historian. The son of a British career soldier, he was born in Hampshire, England, but spent several years in India and Pakistan as a child and youth. As a "boy soldier," he entered training in the British Army at the age of 16. He was later commissioned in the Royal Corps of Signals, and held several postings with the British Army of the Rhine.

### **Digby Smith - Wikipedia**

To do so, he gathered an enormous army, 600,000 strong, and in the summer of 1812 it marched for Russia. Napoleon faced problems even before the army left, however. Most of his best troops were fighting in Spain, and more than half of the "Grand Army" created to invade Russia was recruited from non-French territories, mostly in Italy and Germany.
