### Politics of the New South - America By The Numbers

The reestablishment of white supremacy, and the “redemption” of the South from Reconstruction, paved the way for the construction of the New South. White Southerners took back control of state and local governments and used their reclaimed power to disfranchise African Americans and pass “Jim Crow” laws segregating schools, transportation, employment, and various public and private facilities.

### The New South and the Problem of Race | US History II ...

It's pitting the politics of the Old South, often characterized by thinly-veiled racist rhetoric and maintenance of the predominantly white status quo, against the New South's increasingly young and racially diverse constituency.” Save to Favorites

### Runoff Pits Old South Against New South

New South, New South Democracy or New South Creed is a slogan in the history of the American South after the American Civil War. Reformers use it to call for a modernization of society and attitudes, to integrate more fully with the United States, and reject the economy and traditions of the Old South and the slavery-based plantation system of the antebellum period. The term was coined by its leading spokesman and Atlanta editor Henry W. Grady.

### New South - Wikipedia

An abundance of survey research conducted over the past two decades has portrayed a “new South” in which the region's white residents now resemble the remainder of the country in their racial attitudes No longer is the South the bastion of racial prejudice.

### Racial Attitudes and the “New South” | The Journal of Politics

When it first appeared in 1998, The New Politics of the Old South broke new ground by examining Southern political trends at the end of the twentieth century. Now in its fourth edition, with all chapters extensively revised and updated to cover events up through the 2008 elections, the authors continue their unique state-by-state analysis of political behavior.
