Taking Lives movie review & film summary (2004) | Roger Ebert

"Taking Lives" by Michael Pye is a complex story of a serial killer who murders people and then assumes their identity. The story begins slowly as Martin Arkenhout kills his first victim, finds it's an easy thing and gives him an appetite for murder.. John Costa is the story's narrator.

Taking Lives by Michael Pye - Goodreads

Taking Lives is in a genre that I normally dont readCrime Fiction, specifically crimes against children. However, after reading the authors notes wherein he talked about being moved to shed light on child trafficking, after reading a story about an eleven-year-old boy from Minnesota who had been abducted at gunpoint by a stranger, I decided to give Taking Lives a read.
