Amazon.com: The Diamond Age: Or, a Young Lady's ...

THE DIAMOND AGE. The idea came to me when I saw a a mobile designed to hang above a crib, with cards that could be swapped out for more complex designs as the baby's visual system developed. I thought, why not create an educational book that would tell the same stories with increasing complexity as the child grew up?

The Diamond Age by Neal Stephenson: 9780553380965 ...

The Diamond Age is both amazing and frustrating. The first half of the book is truly brilliant; both science fiction and fantasy woven together with beautiful Victorian-toned prose. The second half of the book is rather irritating with dangling plot points, gratuitous sex (not needed and worse yet, not erotic) and torture scenes, and ultimately a rushed ending.
