It did not take but moments for him to realize that his largest reseller was giving his company only a third of its business, that his revenues were declining and ours increas- ing dramatically.

Which Way to the Exit?

The Bible is not a book about the great entrepreneurs of the past, and so the information that we have to make assessments is somewhat limited. We can make some inferences, however. We know that several of the apostles ran a fishing business, and Matthew's tax collecting was a private independent business in those days.
