The law’s expressive powers explain this puzzling compliance. An arbiter has some power to influence disputants by articulating a focal resolution of their dispute and some power to influence...

### The Expressive Powers of Law: Theories and Limits ...

Richard McAdams has published a new book called The Expressive Powers of Law. It is in some ways a throwback to the earlier literature. It puts a great deal of emphasis on the way that “focal points” can structure people’s behavior when people are otherwise trying to coordinate with each other.

### Richard McAdams’ The Expressive Powers of Law | ERIC POSNER

Law deters crime by specifying sanctions, and because people internalize its authority. But Richard McAdams says law also generates compliance through its expressive power to coordinate behavior (traffic laws) and inform beliefs (smoking bans)—that is, simply by what it says rather than what it sanctions.

### [PDF] The Expressive Powers Of Law Theories And Limits ...

By contrast, in Expressive Powers of Law, McAdams’s chief ambition is to identify and explain two general functions of law that operate outside of deterrence-based legal coercion: the coordination and information functions of law. In this article, I offer further thoughts on how law might work outside of sanctions or direct coercion.
