190The Future of Secularism it was similar to that of other prophets in that preaching Islamic values and its virtues was the main task of his mission. Thus, the mission of the Prophet Muhammad should not be understood in terms of establishing or ruling any worldly state.

The Future of Secularism - Loyola University Chicago
190The decline of Nehru's Congress party and its hold on the central government in India, and the rise of the Bharatiya Janata Party (BJP), the future of secularism in India also seems to be in doubt. The events in Gujarat during which thousands, of which a large majority were Muslims, died as a result of communal carnage is a pointer.

The Future of Secularism - Exotic India
Secularism is important to ensure equality among citizens. But the allure of religion is so strong that its politicisation by populists and ethno-nationalists becomes inevitable in periods of uncertainty. That's the risk Nepal too will have to face sooner or later.

The Future of Secularism/ Ali Rizaz | ￼￼￼
Right now, secularism is sort of Ego-satisfaction idea, where every religion wants to dominate other and give priority and security to themselves. As the time will pass, the distinctions of religion will subside (inter religion/caste marriages, liberal thinking), people will find that fighting for Religious domination is not worth it.

Though we don't know if atheists or secular Americans participate in politics as part of their secular advocacy, the fact that they're so politically engaged bodes well for the future of the movement. Secular organizations must work to engage their membership bases in electoral politics and build from people's eagerness to be active citizens.

Supernatural elements are being revived and revitalized. Thus India is tending towards desecularisation. Dr. Radhaknshnan writes "we should not confuse secularism with the concept of atheism because the type of secularism we are trying to achieve is very much in consonance with the old religious ideals as Smith has noted "Most of Hindu legislations regard temple entry laws as measures of ...

Problems of Secularism in India - Essay
The Future of Secularism While these arguments about the merits or otherwise of secularism are well rehearsed, a relatively new feature of the debate is the view that Western democratic societies are now becoming increasingly "post-secular."

Secularism and Religion - Oxford Research Encyclopedia of ...
1) Israel is basically secular, not dominated by religious leaders as many of its detractors imply. 2) Zionism is not colonialism, nor is it racism. 3) Many Western "liberals" act as if Israel's existence were "the worst outrage that exists today in the world," when in fact it is not even the biggest issue in the Arab world.

The question of future of secularism in India is very important particularly at this juncture. Secularism was never meant to be the indifference to religion by our leaders and freedom fighters, who realised that India is a highly religious country. That is why even the most orthodox Hindus and Muslims accepted it as a viable ideology for India.
