Through the Whirlpool by K. Eastkott - Goodreads

A rather strange book set in the Niagara Falls area (a place I have wanted to visit) in the 1880's. It features a diverse cast of characters including the widow of the local undertaker who has taken over her husband's business.

The Whirlpool by Brian Quirt - Meet your next favorite book

Figuring out their motives and angles kept me busy through the whole book. This isn't the first book I've read by Lowell with an innocent and honest heroine who isn't at all naive or a hero who has been so long in the dark that he doesn't think he deserves or can survive in the light. However, this was a great example of a story that uses those ...

The sea monster Charybdis was believed to live under a small rock on one side of a narrow channel. Opposite her was Scylla, another sea monster, that lived inside a much larger rock. The sides of the strait were within an arrow-shot of each other, and sailors attempting to avoid one of them would come in reach of the other.

Across the street in Kick's Hotel, where Fleda and her husband, David McDougal, have temporary rooms, Written in luminous prose, The Whirlpool is a haunting tale set in Niagara Falls, Ontario, in the summer of 1889. This is the season of reckless river stunts, a time when the undertaker's widow is busy with funerals, her days shadowed by her young son's curious silence.

This is my second reread of 'The Coming of the Whirlpool' and it literally couldn't get any better EVERY SINGLE TIME. I love everything about this book: the characters, and the brave soul that is Dow Amber; the setting which ranges from the headland forests and pines to the bays and seas of New Island; the atmosphere, so strong, thrilling, powerful and present; the writing and the author's ...
