Semiautobiography. Although the plot of To the Lighthouse shares many similarities with Woolf's own biography (Woolf's family rented a summerhouse on the Hebrides in view of a lighthouse, Woolf's father could be stifling, Woolf's mother and sister died when she was young), Woolf correctly insisted that the novel should not be read as a straightforward autobiography.

To the Lighthouse Study Guide | Literature Guide | LitCharts

To the Lighthouse (1927) is widely considered one of the most important works of the twentieth century. With this ambitious novel, Woolf established herself as one of the leading writers of modernism. The novel develops innovative literary techniques to reveal women's experience and to provide an alternative to male-dominated views of reality.
