I AM The Documentary | Official Site

However, in I AM, Shadyac steps in front of the camera to recount what happened to him after a cycling accident left him incapacitated, possibly for good. Though he ultimately recovered, he emerged with a new sense of purpose, determined to share his own awakening to his prior life of excess and greed, and to investigate how he as an individual, and we as a race, could improve the way we live and walk in the world.

The Film | I AM The Documentary | Official Site

Background. Tom Shadyac suffered post-concussion syndrome after a bicycle accident in Virginia in 2007, experiencing months of acute headaches, hyper-sensitivity to light and noise, and slept in a closet due to chronic tinnitus that lasted beyond a six-month period. It was this constant ringing that the doctors could not treat that led him to suicidal thoughts.
